My dear Mr. Noe,

I thank you so much for the information concerning my Dutch coin. It is a satisfaction to me to have at last had it identified. Do you happen to know of any place where I could get from one to two dollars for it as I do not collect coins? Kindly accept my sincere apologies for not having sent

stamps for return postage. I am now enclosing them.

I remain yours sincerely
Daniel M. Power.

P.S. I hope that I will not be asking too much to ask you to answer my question.

Dear Sir:

Your letter of February 23rd to Mr. Noe has been referred to me.

I doubt if you could get much more than one dollar if you sold your Dutch coin to a dealer as the dealer would probably sell it for from $1.50 to $2.00. I forgot to see whether or not we had in our collection this date and variety, but if you care to send it again, we should be glad to purchase it from you for $1.25. Should you decide to send it, it would be cheaper for you to send it by parcel post.

Very truly yours,

Curator
